

ServiceEntityRepository

```
graph BT; SR[App\Repository\SportRepository] --> SER[ServiceEntityRepository];
```

The diagram illustrates a class hierarchy. At the bottom is a gray rectangular box labeled 'App\Repository\SportRepository'. Two blue arrows originate from the top of this box and point upwards to a white rectangular box with a black border labeled 'ServiceEntityRepository' at the top. This indicates that 'App\Repository\SportRepository' inherits from 'ServiceEntityRepository'.

App\Repository\SportRepository
